

The Sizzling Summer Reading Challenge...

Does this seem like "mission impossible?" It's not as hard as it sounds. Just twelve minutes of home reading per day, during July and August, will provide your child with enough minutes to meet the challenge.

Are there rewards? **ABSOLUTELY!** Your child will continue to improve his/her reading skills throughout the Summer months and you may wish to offer special privileges when he/she reaches particular milestones, in total minutes. For example, students may choose a

favorite meal, a video rental, a trip to the beach or having a friend over to play. Rama Central's Summer Reading Program Packet includes monthly calendars on which to record daily reading times, a graph on which to plot overall progress and two sheets of suggested rewards. In early September, you will be sent a form on which to record your child's total minutes of Summer reading. A certificate, will be presented to your child, at a school assembly, recognizing his/her efforts.

What's the catch? There isn't one! This "do-it-yourself" program is free. If you are interested, just return the response form to your child's teacher by June _____.

750 minutes of home reading in July and August!
