

# The Sizzling Summer Reading Challenge...

Thank you for participating in the Summer Reading Program! Continuing to read at home, throughout July and August, will be most beneficial to you child.

Attached, you will find:

- A two-sided calendar sheet, on which to record daily reading times
- A two-sided thermometer graph sheet, on which to plot overall progress. The first graph ends at 750 minutes; the one on the reverse of the page goes to 1,500 minutes
- Two "coupon sheets," listing rewards suggested by Grade One and Two students.

Have a great Summer... and Happy Reading!

# 750 minutes of home reading in July and August!
